### *About Jessica*

Jessica Jurgenliemk is a budding young singer songwriter who has been enjoying her time on stages across Shelburne County. At only fifteen years of age, she already had many wonderful experiences, such as twice winning Shelburne Idol, performing often at The Osprey Arts Centre, Harmony Bazaar in Lockeport, the Coal Shed in Yarmouth, Founders Days in Shelburne and on other local stages, as well as competing in a national singing competition. In April 2012 she completed her first 3 song demo CD of her original music at HarbourTone Productions in Shelburne, and she is currently recording a new, full length album. Jessica takes her music very seriously and has been a piano student of Bill Smith's in Shelburne since she was only six years old. She has also been training on the guitar with local bluesman Bob Vacon. Everything related to music interests Jessica, and we can only guess what fabulous places her passion may take her in the future.
